

## INDOOR TEAM FORMATION PARENT GUIDE

Many of our Pelada teams and players participate in [Kick City Sports Park's](#) indoor leagues. Here's what you need to know about getting your player onto an indoor team:

### GENERAL INFORMATION

- ❖ Kick City youth indoor leagues have an eight game season format with games roughly once per week on weeknights and/or weekends. Game days vary by division and season.
- ❖ Dates: **Winter 1 Session:** November-January; **Winter 2 Session:** February-March
- ❖ Indoor teams are **not** part of Pelada FA's Winter Academy training programs and teams do not have a practice schedule. Players who want to participate in training should sign up independently for Pelada's Winter Skills Academy.
- ❖ **New and non-PFA players** are welcome to join a Pelada indoor team provided there is room on the roster after our fall teams have been surveyed. Contact one of our team managers or the academy director ([director@peladafa.org](mailto:director@peladafa.org)) to inquire.

### TEAM ORGANIZATION

- ❖ Team managers will survey families to find out how many players will be participating in indoor soccer. **It is very important that you respond promptly to all communications.**
- ❖ Once all players have responded, rosters will be submitted to Kick City for team registration.

### COACHING

- ❖ Let your team manager know whether you prefer to have a Pelada coach or a parent coach for your indoor games.
- ❖ If your team wishes to have a Pelada coach, there will be an additional cost per player of \$20.
- ❖ If your team does not use a Pelada coach, **a parent must be in the box for each game.** The team manager is **not** responsible for coaching, so please be ready to step up and help with this.
- ❖ All parent coaches must be registered with Kick City and included on the team roster.

### COSTS & PAYMENTS

- ❖ Team registration fees will be divided equally amongst the players on your team. Please pay your child's portion promptly.
- ❖ Pelada will open an account for your team at Kick City. You can pay at the Kick City front desk or over the phone (541-744-2255). The team manager is **not** responsible for collecting fees.
- ❖ All players are required to have a current Kick City membership. Individual membership costs are not included in your team account.
- ❖ Your team fees must be paid and your player registered with Kick City prior to the first game. Coaching fees will be collected by Pelada FA and cannot be paid at Kick City.
